Reading Lacan's *Écrits*

From 'Logical Time' to 'Response to Jean Hyppolite'

Edited by **Derek Hook**, Associate Professor in Psychology, Duquesne University, USA and Extraordinary Professor in Psychology, University of Pretoria, SA, **Calum Neill** and **Stijn Vanheule**, Ghent University and private practice, Belgium

Reading Lacan's Écrits is the first extensive set of commentaries on the complete edition of Lacan's *Écrits* to be published in English. This third volume constitutes an indispensable companion piece to some of Lacan's most notoriously challenging writings. As there is no existing set of commentaries on Lacan's *Écrits* available in English, this volume forms an essential reference-text for psychoanalysts and psychoanalytic psychotherapists in training and in practice, philosophers, cultural theorists and literary, social science and humanities researchers.

20% Discount Available - enter the code FLR40 at checkout*
